CEE signs MoU with Wetskills for future water challenges

Ahmedabad: City-based Centre for Environment Education (CEE) signed an MoU with the Netherland-based Wetskills on Friday, concluding day of Vibrant Gujarat Globul Summit to conduct future Wetskills Water Challenges in India. On the occasion, announcement was also made about Kartikeya Sarabhai, director, CEE, being appointed as Wetskills' international ambassador. "The initiative focuses on current and future issues related towater where young minds from India and the Netherlands. are given challenges and they try to solve it with their knowledge and guidance from experts. It is second time that we have collaborated with Wetskills. I believe the initiative provides an excellent platform for the youth. It's takeaways can also be applied for the Smart Cities initiative of the Government of India," Sarabhai said on the collaboration, tan-
