BRING IN YOUR WATER CASE

Wetskills Water Challenges

The Wetskills Water Challenge is a two-week event for university level students and young water professionals from around the globe. Participants work in multidisciplinary and intercultural teams to develop out-of-the-box solutions for water challenges posed by Case Owners.

Since 2010, almost 600 students and young professionals from about 120 international universities and organizations have participated in one of the 30 Wetskills Water Challenges organized in Asia (China, Taiwan, South Korea, Indonesia and India), North Africa & Middle East (Israel, Oman, Morocco, Iran and Egypt), Sub-Saharan Africa (South Africa & Mozambique), Europe (United Kingdom, Romania & the Netherlands) and North America (United States & Canada).

Join this second Wetskills Water Challenge in Semarang (Indonesia)

In September 2018 a Wetskills Water Challenge will be organized in Indonesia for the second time. The event is being organized by the non-profit Wetskills Foundation (based in The Netherlands) in cooperation with various partners as local host Sultan Agung Islamic University in Semarang. We hope you will join us to be part of the Wetskills experience in 2018!

The Indonesian and international partners encourage you to be part of this Wetskills experience in 2018. It is a great opportunity to get out-of-the-box ideas to be discussed on a high platform in the Indonesian water sector. Meanwhile it is important to involve the next generation in the water sector.

Programme

Wetskills will formally start on 3 September 2018 with a day of team building. The opening event of Wetskills, called BrainHurricane, will be organized on 4 September in Semarang. The case owners present their challenge to the student teams and diverse experts will help the teams during the first brainstorming process.

Over the next 10 days the participants' teams will work on the challenge with periodic guidance of international supervisors, and support from diverse local experts from academia, companies and governmental institutes.

Each team will present its solution at the end of the (two-week) challenge during a special pitch session and poster market as part of a special program during the International Water Conference, organized by Sultan Agung Islamic University in Semarang (September 14). Water leaders in business, academia and government will attend finals and awarding.

We are looking for companies and organizations to bring in their Water Challenges!

Case topics

The case owners, inside or related to the water sector, determine the challenge topic of the study cases of Wetskills. The cases have a relation to the challenges that the Wetskills event's country is facing. Previous edition topics were researched as: reuse of wastewater, water scarcity, storm water management, dew harvesting, deployable flood defense systems, geothermal and thermal exchange energy systems, coastal master plan development, resiliency, water governance, awareness, etc. See www.wetskills.com for cases of the previous Wetskills events.

Does your company, organization or institute in the water sector have a challenging water case?

Wetskills-Indonesia will be an excellent opportunity to showcase your organization's expertise and commitment to innovative solutions in the Indonesian water sector. Are you that innovative company, organization or institute and do you have a challenging water case? Come on board!

Call for Cases

WetsNext

The WetsNext programme initiates and stimulates follow-up activities based on the concepts and results of the Wetskills Challenges. The partners of this Wetskills edition strive to follow-up the outcomes with further (feasibility or pilot) studies, done by Young Professionals and students, but intensively guided by case owners, Wetskills alumni, other interested partners. Main aim: to follow-up great ideas, to implement them and to gain impact!

Case Owner Benefits

- Case Owners will receive the results: a poster and a paper (approx. 6 pages) outlining the innovative concept the team came up with for the Case Owner's case study.
- The name and logo of Case Owners will be reported in Wetskills press releases with a broad distribution.
- Promotion through the website and social media for Wetskills, the event partners and other relevant organizations and during other Wetskills Water Challenges.
- The logo of the Case Owners will be displayed on the poster presented at the final presentations.
- Case Owners will get their own international team of enthusiastic students and young professionals.
- Case Owners get the opportunity to grow their business network through participation in the energizing Wetskills event.
- Press releases and tailored appointments for promotion and communication for own use.

Case Owner responsibilities

- Case Owners will provide a study case (the water challenge) for the Wetskills program in Indonesia.
- Case Owners will support the team via face-to face or remote meetings (using Skype, and e-mail) during the working days.

- Case Owners and Wetskills jointly will provide an expertise during the programme (also on distance with cell phone, email, Skype).
- Case Owners will donate € 3000,00 (VAT free) in support of the organization and participants of Wetskills-Indonesia 2018.

Wetskills responsibilities

- The Wetskills Foundation will assist in developing a great case study for the participants.
- The Wetskills Foundation will form combined international, multidisciplinary teams of participants and guide them to reach solutions through processes of divergent thinking to solve the Case Owner's challenge.
- The study case and poster of the team (excluding the short memo) will be published on the Wetskills website, www.wetskills.com.*
- The results will be presented during a special session at the International Water Conference, organized by Sultan Agung Islamic University in Semarang (September 14).
- The winning team will be awarded in these sessions as well.

* If some information is confidential, Wetskills and the concerning team will act accordingly.

Donor benefits

You do not need to be a Case Owner to be part of Wetskills. Wetskills-Indonesia 2018 welcomes the participation of businesses, organizations and individuals through donations.

- Donors will receive logo representation.
- Donors will be mentioned in PR & Communication
- Donors will have the opportunity to meet and greet with participants and Owner Organizations.

We would like to tailor your requests as Donor or Case Owner.
