

# Put Pride Where It Matters

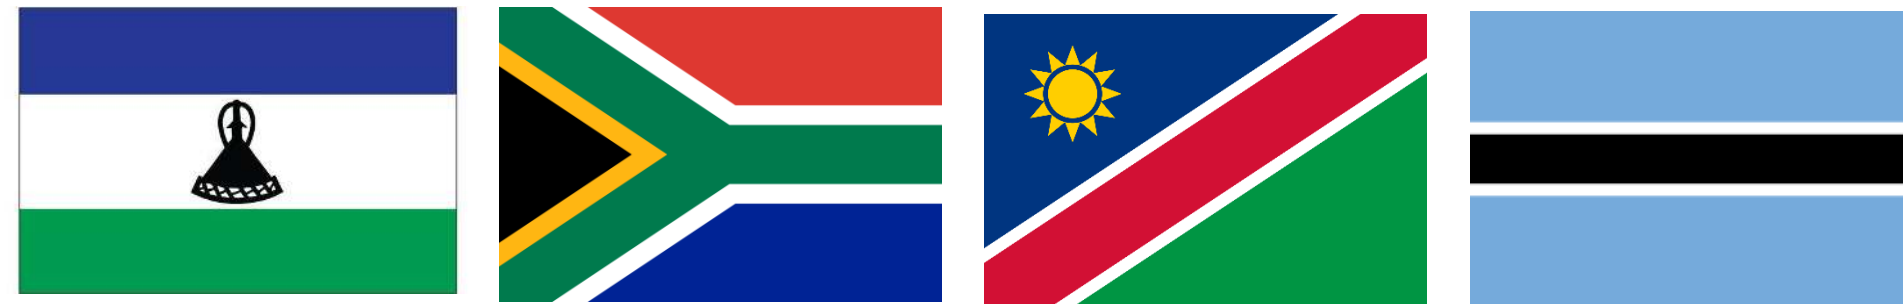

## Wetland Awareness Program

Susan Dinnissen, Rosa Domingos, Reza Nejad, Nthabiseng Nooe & Lwamkele Sodladla

The alpine wetlands of Lesotho are degrading. Lesotho contributes 45% of the water supply to the Orange-Senqu Basin while its wetlands coverage is 26%.

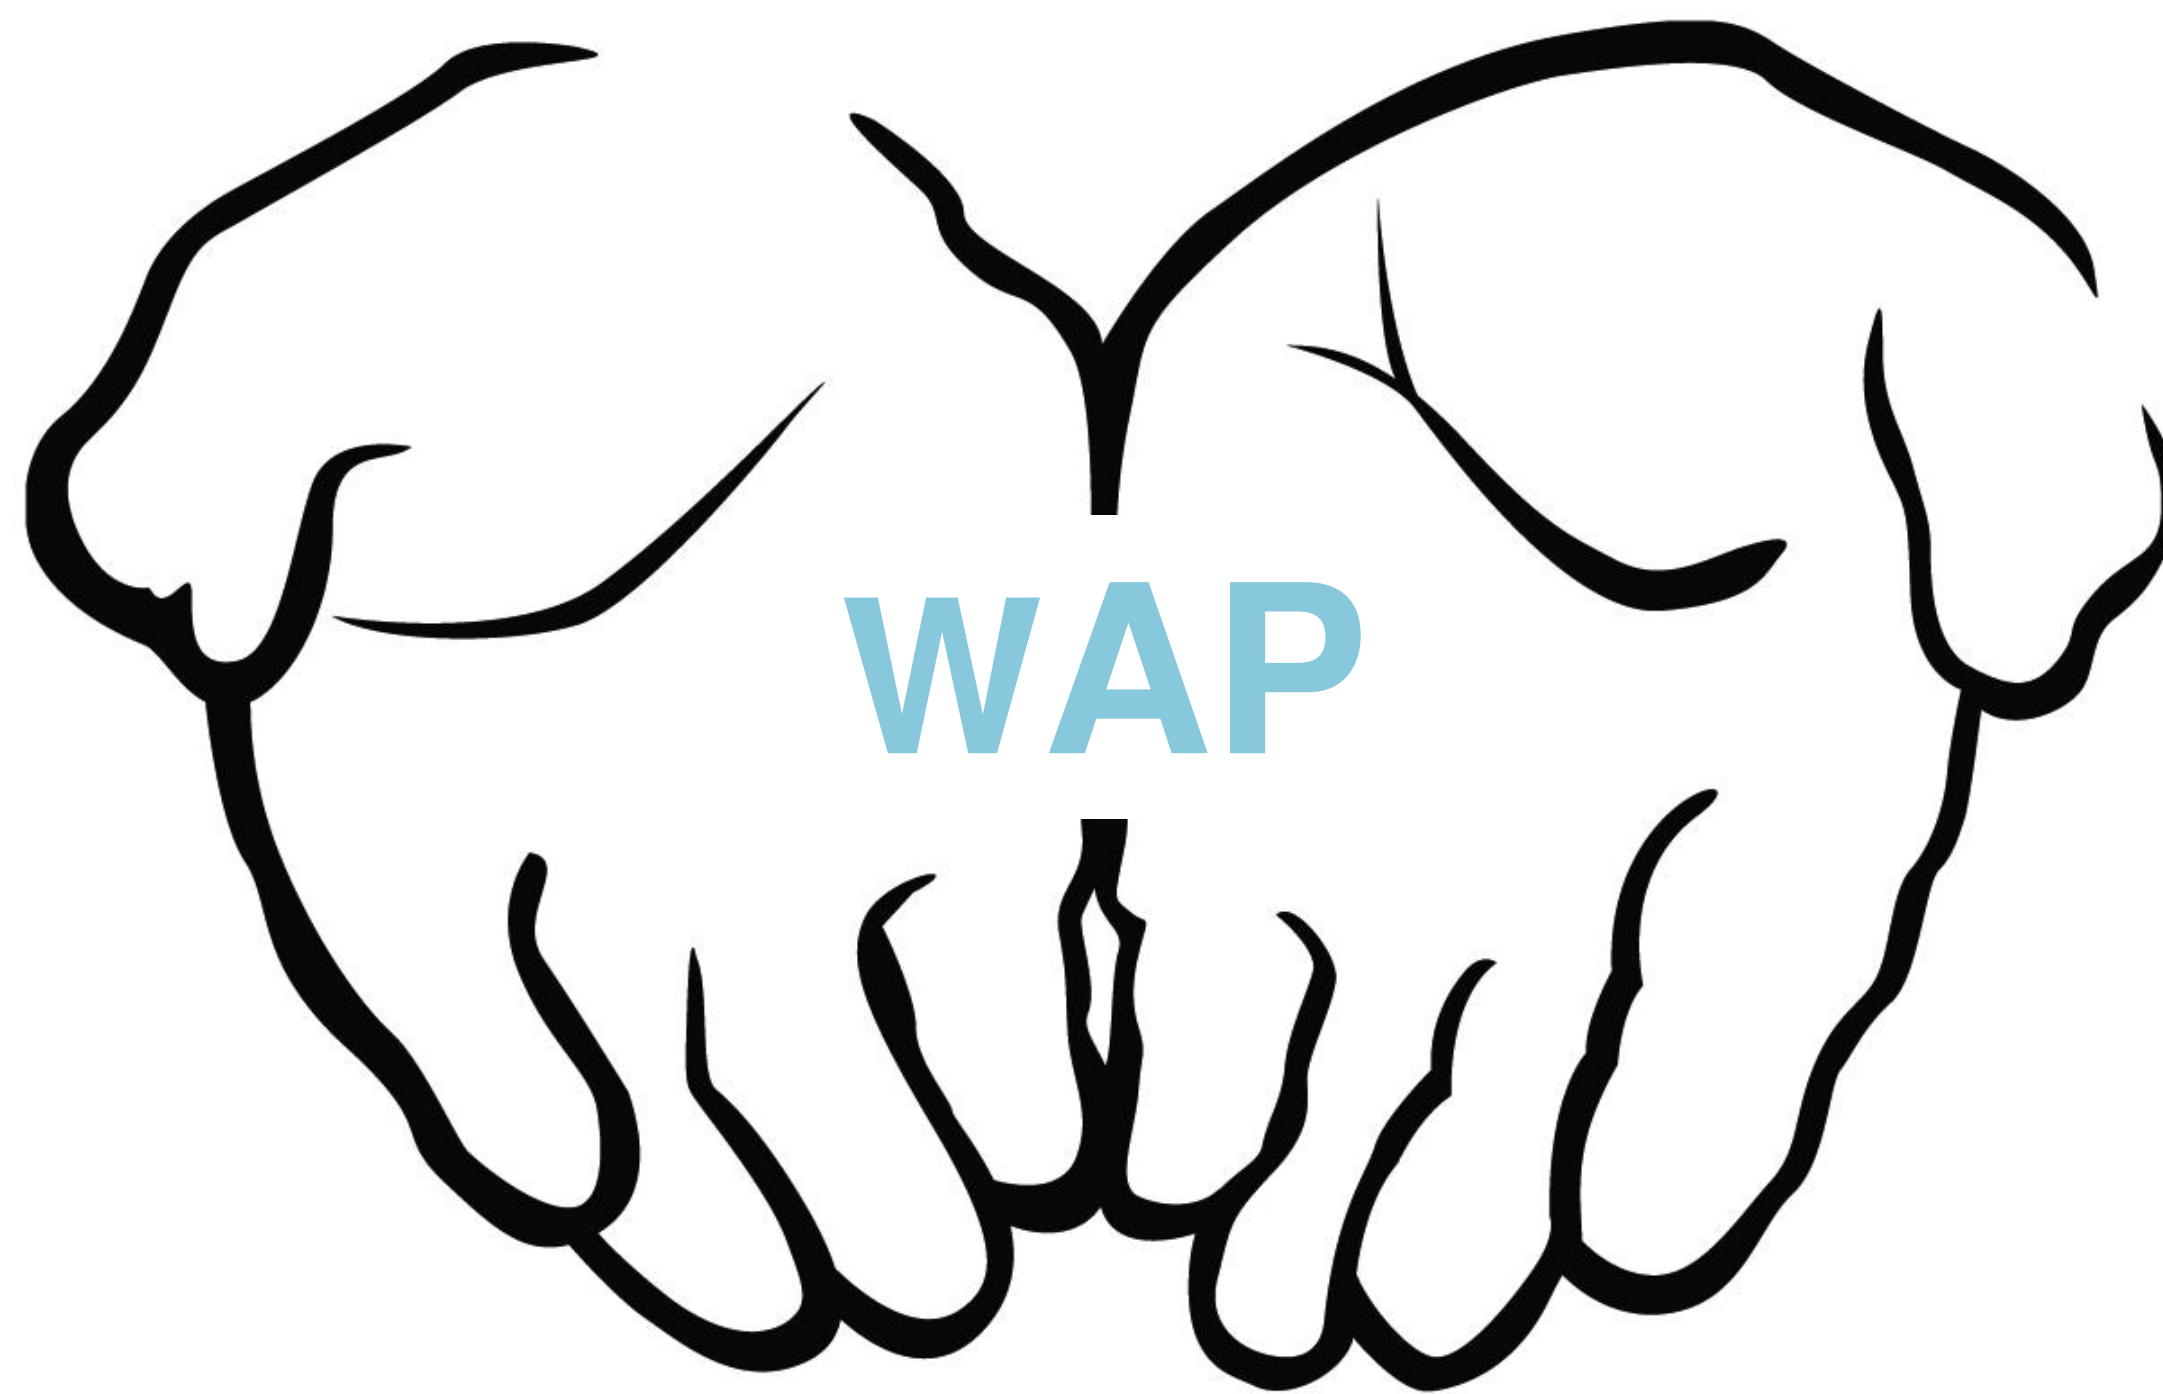

### How to involve downstream users in the upstream wetland management in Lesotho?

Farmers

Youth

Locals

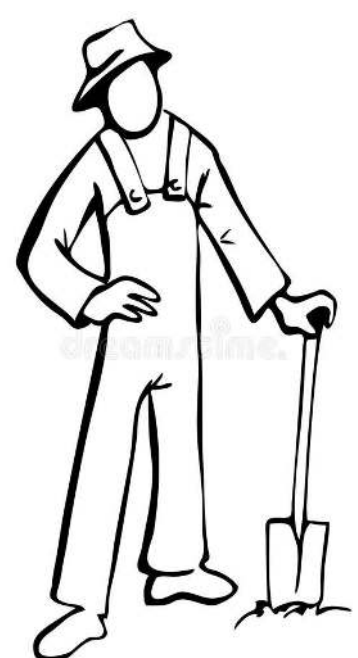

#### Erosion Blankets

- Counteract soil erosion
- Economical
- Biodegradable

#### Involvement of Farmers

- Detect the critical spots
- Do the placement

#### Research & Education

- Creates opportunities
- Creates awareness
- Develops skills
- Awards scholarships

#### Benefits of the Program:

- Pride
- Awareness
- Network
- Capacity-building
- Monitoring plan
- Engagement of farmers
- International engagement

## Living Wetlands
