Programme

Wetskills will formally start on 3 June 2019 with two days of team building, cultural activities and water-related excursions.

This Wetskills event is aligned to the [Official Opening of the Flood Proof Romania Polder](#) (in Facau, 40 minutes southwest of Bucharest), a look-a-like testing facility as the Flood Proof Holland in Delft. The event's theme is about "testing and implementing smart water management innovations". The final presentations will be organized at the Brigaid Conference (13 June 2019) and the winning team will be announced during the Opening of the Flood Proof Romania Polder. [Leaders in business, academia and government will attend the finals and awarding.](#)
