

# Flood Education Kerala

Connecting students to community-based solutions

Team: EDUFlood

Team Members: Siddhima Sivanand, Twan Smitskamp, Xiaoxuan Zhao

## Do you dare to step in a rollercoaster of knowledge and fight against flood?

Collaborate with other students, local initiatives and governments to build communities in flood affected area's by sharing knowledge, building ownership, raising awareness and helping in relief camps.

'Together with help from Kudumbashree we managed to give counselling to women after the flood!'

Ammu, 22  
Nursing student

'Hey mom, I got a leaflet from school today. It says we should prepare an emergency box at home in case the flood is coming.'

Arya, 6  
Primary school

We finally got funding to provide the relief camps with portable toilets and mobile stores!

Vinay, 21  
Business student

'We didn't know how to prepare and react on floods, luckily we got help from the EDUFlood water ambassadors so now we know what to pack and how to bring ourselves in safety!'

## What will EDUFlood bring you?

**Social awareness**

**Education**

**Network**

## Join club EDUFlood and become a water ambassador!
