- They commit to attending the Wetskills Water Challenge program in Accra, Ghana, scheduled from January 29 to February 12, 2025.
- They acknowledge the program fee, which is a maximum of €435 (excluding VAT, with VAT applicable only for participants from The Netherlands). This fee applies to international and local participants requiring accommodation in Durban during the program. The programme fee includes accommodation (hostel, sharing rooms with more participants), field trips, workshops, working locations, supervision, and **some meals**.
- They acknowledge personal responsibility for covering travel expenses (including plane tickets, train fare, bus transportation, etc.) and any additional costs not encompassed by the program fee. *N.B. The Wetskills organisation strives to find ways to keep the costs to the participants as low as possible. During past editions, participants often successfully arranged financial compensation from their university or employer for their Wetskills participation. We therefore strongly encourage applicants to inquire from local and regional institutions about funding opportunities to compensate for the costs (mobility funds, travel allowance, etc.).*
